## Introduction to Handguns

### C2 Tactical Course Curriculum: P100

#### Introduction to Handguns

#### Available in a Single Morning or Evening

Where do you start? What do you need to know to be safe? C2 Tactical's Introduction to Handguns course is a 3-4 hour course designed for those individuals with little-to-no handgun experience. Following the classroom instruction, students will have the opportunity to practice the skills learned in class with live-fire experience. **If you are a beginner with little-to-no experience, this is the class for you.**

#### Focus areas within this course include:

- Universal Firearm Safety
- Different types of handguns
- Types of ammunition
- Safe loading and unloading procedures
- Live-fire exercises to demonstrate proper loading and unloading and safe handling procedures learned

**2-3 hours class time and 1 hour range time**

#### Equipment and supplies required:

Class requires eye and ear protection and at least 50 rounds of ammunition for the firearm you will use. Handguns may be rented at no cost but will require you to purchase C2 Tactical's range ammunition for use.

**Course tuition is \$60.00**

## Fundamental Shooting Skills

### C2 Tactical Course Curriculum: P200 Fundamental Shooting Skills

This course is designed around mastering the fundamental skills behind shooting handguns both safely and accurately, it is the second-level class in the C2 Tactical Pistol Curriculum. The Fundamental Shooting Skills course is a 4-hour course of instruction that includes classroom work, hands on dry-fire practice and live-fire practice. **This class is designed for anyone that cannot shoot consistent 2" groups at 21ft.**

#### Focus areas within this course include:

- Excellent for beginner to intermediate shooters
- Key fundamental features include grip, proper operation of your firearm, stance, sight alignment, and trigger squeeze
- Practice one of the most difficult to master skills – trigger control
- Excellent review for seasoned shooters that have not been shooting for a while and would like to group their rounds within 2 inches at 21ft.
- Skills required for anyone looking at the Concealed Carry course or moving on to the more advanced shooting courses

**2 hours class time and 2 hours range time**

#### Equipment and supplies required:

Class requires eye and ear protection and at least 100 rounds of ammunition for the firearm you will use. Handguns may be rented at no cost but will require you to purchase C2 Tactical's range ammunition for use.

P100 or P200.

#### **Equipment and supplies required:**

Class requires eye and ear protection and at least 100 rounds of ammunition for the handgun you will use, semi-automatic pistol with three (3) magazines and spare magazine carrier or revolver with three (3) speed loaders and carrier for speed loaders, quality strong-side holster that has two points of contact and does not collapse (no shoulder holsters, purse holsters, or appendix carry).

**Course tuition is \$299.00**

## Introduction to Baton

### **C2 Tactical Course Curriculum:** **Introduction to Baton**

This 4-hour class focuses on the basics of using an expandable baton for self-defense. This is a great class for all ages and sizes. The simple techniques learned in this class can be transferred to many other things like a Kubaton or pepper spray. It includes both classroom and hands-on practice time with a little bit of energy and a whole lot of fun! This is a great class for anyone interested in less than lethal self-defense in confined space or where other forms of self-defense are not permitted.

#### **Focus areas within this course include:**

- Understanding the legal use of both physical force and deadly force against another
- Proper carry and deployment
- Proper use of basic baton techniques in self-defense
- Proper maintenance of your baton

**Class Prerequisites:**  
None.

#### **Equipment and supplies required:**

Expandable baton, comfortable clothing, athletic shoes, baton holster recommended but not required.

**Course tuition is \$60.00**

## Disaster Preparedness & 3-Day Bag

### **C2 Tactical Course Curriculum:** Disaster Preparedness & 3-Day Bag

This 4 hour course is designed to help you understand the basics of personal readiness and some of the essential items that you should consider should disasters strike. The Federal Emergency Management Agency (FEMA) has instructed all citizens to be prepared to survive 3 days on your own in the event of an emergency. Are you prepared? If not, take this course. It will provide you life saving tips and ideas and give you the background skills to sustain you and your family in an emergency for your home, your car, and with your E.D.C. (Every Day Carry). When the course is complete you may choose to purchase our complete 3 Day Bag for an additional \$60.00.

#### **Instructors:**

All instructors for this course are required to have backgrounds specific to emergency preparedness.

#### **Focus areas within this course include:**

- Types of emergencies and preparing for them
- Understanding basic needs for survival
- Understanding how to build a proper emergency survival kit
- Security and communication in a crisis.
- How to prepare your home and family for 6 months or more
- How to budget your survival plan
- Bugging in vs Bugging out
- How to prepare your family in a self-defense encounter
- Risk and threat assessment
- Teamwork in a crisis

**Course tuition is \$60.00**

**Prebuilt Three Day Bag will be available for purchase in class for an additional \$60.00**

## Glock Maintenance Course

### **C2 Tactical Course Curriculum:** Glock Maintenance Course

How do you disassemble a Glock completely? What steps are necessary to clean the firearm in a safe manner? Our certified Glock Armorer has the training and experience to help you understand the basics of complete disassembly and reassembly beyond your basic field stripping of a Glock. If you are interested in learning more about the mechanics of your firearm and how to install drop in items like ZEV TECH and GHOST, this is the course for you.

We try to keep the class size to a maximum of 10 students so that each student can get quite a bit of 1-on-1 instruction. Courses are offered on a monthly basis and run between 3 and 4 hours. A Glock disassembly tool is included.

#### **Class Prerequisites:**

None.

#### **Equipment and supplies required:**

Glock.

**Course tuition is \$60.00**

### TASER Civilian Certified Training

**C2 Tactical Course Curriculum:  
TASER Civilian Certified Training**

Designed in conjunction with TASER International and C2 Tactical's Instructors, this amazing 4-hour class provides civilians with a less-than-lethal option like never before. After working closely with TASER during the design process of the TASER Pulse and its course content, we are the world's first facility to offer this program to civilians. In this course, you will learn about the function and operation of the TASER Pulse; legal requirements, effectiveness and limitations; and how to safely draw from a holster and deploy under stress. Upon completion of the live-fire portion of this course you will receive a Certificate of Completion to demonstrate that you are a responsibly-trained TASER Pulse owner.

**Instructors:**

All instructors for this course are required to have NRA Certification and be a Taser Civilian Certified Instructor.

**Focus areas within this course include:**

- Proper methods to draw from the holster (support side)
- Accuracy with shooting the first shot from the holster
- Follow-through
- Legal obligations & ramifications
- Technical specifications of the TASER Pulse

**Course tuition is \$60.00**

**Live-Fire Cartridges available to purchase for an additional \$60.00 in class**
